CAMP VERNON KILPATRICK REPLACEMENT PROJECT QUARTERLY STATUS

On February 14, 2012, the Board authorized the acceptance of \$28.7 million in grant funding to construct a proposed 120-bed replacement at Probation Camp Vernon Kilpatrick, located in Malibu. This grant funding, authorized by State legislation under Senate Bill (SB) 81, is administered by the Corrections Standards Authority.

In addition to authorizing a total Camp Vernon Kilpatrick Replacement Project (Project) cost of \$41.15 million, the Board further directed that quarterly updates be provided on the Project's progress, expenditures, and revenues.

Project Status

The Probation Department and various project advocates are working closely with the Department of Public Works' project delivery team. Further, pre-construction activities such as site surveying, soils testing, hazardous material surveying, environmental documentation, programming, and scoping document services continue to make progress.

Summary of Expenditures and Revenues

To date, approximately \$928,000 has been committed to provide the pre-construction consultant services and related project management costs. These project expenditures currently County cost appropriated the are funded bv net Capital Projects/Refurbishments Budget for the Project. The SB 81 grant will only reimburse construction costs. No construction costs have been incurred to date.
